

January 2015

Dear RSA® user,

RSA BIOMEDICAL AB offers UmRSA® Technical support (UTS) subscription for the UmRSA® system. UmRSA® Technical Support provides a way to receive technical and software support. If you have questions about the software, hardware or the RSA® method, just send us a mail or call us and we will answer as soon as possible. **The annual fee for 2015 is 12 000 SEK.** VAT will be added for Swedish customer

**During spring 2015 will a new upgrade UmRSA version be released. If the UTS are paid before ordering the new UmRSA version, will the UTS fee be deducted from the license contract fee.**

Our intent with the UTS is to strengthen the RSA® method and our products even further.

In order to have the UTS for 2015 just make your payment to our bank. Mention the name of your organization and UTS 2015.

**If you want UmRSA® Technical support (UTS) for 2015, make your payment to:**
